RESPONSIVE CALL TO WORSHIP

L. Most High God, we come before You to worship You, because we are Your children, made in Your image.

P. We do bare Your image Father, Your image of love and truth and glory...

L. Speak then to our hearts and transform us Lord Jesus,

P. That our worship would be pleasing in Your sight!

L. That through the power of the ever-present Holy Spirit, we would become more and more like You Lord.

P. For the sake of His kingdom we ask, and for the sake of the world we pray.

ALL. To God be the glory forever and ever!

Pastor Mike introduced the current debate last week. Please come and give the matter your attention.

MONDAY: GOVERNMENT. Pray for all those who serve the people of this nation, be they national, state or local officials that they would serve with integrity. That they would be honest and hardworking and that they would obey the laws which they have sworn to uphold. That God would move upon the institutions of our government and call them to humility and righteousness.

TUESDAY: ENTERTAINMENT. God has blessed our nation with such prosperity that we enjoy an entire industry known as the Entertainment Industry. Pray

that these men and women would be decent people, providing for us that which is spiritually, culturally and intellectually enriching. While forsaking that which is destructive and immoral. And that as we enjoy recreation and leisure, we would understand it as a gift from God to be enjoyed and appreciated.

WEDNESDAY: EDUCATION. Thank God for those who have dedicated themselves to building us intellectually. Those who seek to stand on the shoulders of those who have gone before us and bring further knowledge and wisdom to all citizens. That these folks would teach honestly and with diligence. And that those who serve in administration would do so with fidelity and care.

THURSDAY: INDUSTRY. We have been abundantly blessed to partake of the greatest industrial society in history. Thank God for the men and women who make products and jobs. For those who labor on behalf of the culture and their families. That God would continue to bless America with great companies and business, and that all men and women might work for the good of all.

FRIDAY: FAMILY. Family is the bedrock of our society. It is where love and nurture is first and best shared. It is God's building block for a godly people and culture. Pray that our families stay together. That love and mercy and encouragement are given and received. That we become more patient with each other and that children learn the truth about God. Pray for the safety, care and nurture of our children.

SATURDAY: RELIGION. Pray for those who seek God. Those who desire to know "the Higher Power". Pray that the debates about religious convictions and claims are thoughtful and kind. Pray that Jesus would open the hearts, ears and minds of those who want to know and worship The One True God.

SUNDAY: YOURSELF. Nothing changes until we ourselves change. Pray that God would show you His truth and glory. That God would change you into a kinder and more loving person. And then, that God would use you like a tool to do for others, and to do for Himself all that He desires.
