Jordanian Field Leader – 1new Ministry  
Global Hope Network International

**Thursday – November 17 at 11:30am**

For the past five years Sal has served as Director of the West Michigan Friendship Center here in Kentwood. He was mightily used by God in welcoming Middle Eastern refugees and immigrants into our community.

However, from 2012 to 2017 Sal served the Global Hope Network International (GHNI) where he helped the “hidden and the hurting people in the Middle East”. He has once again felt called to rejoin the GHNI Team as they seek to bringing transformational community development to families living in the Middle East.

Join us as Sal shares from his heart, his experiences, and passion for those who have yet to meet Jesus. Our luncheon will include Middle Eastern cuisine (meat wraps, traditional breads and garlic dips...), \$5.00 per person.

We were able to work with over 190 Family members in two cities ( Zarqa & Mafrak ). Teaming with two Churches who love unity, supporting the mission with their staff and

offering their church buildings for one purpose:  
" Bringing Hope and Help to the hidden and hurting Families".

Love never fails.

Sharing love and why we serve and care about hurting people were our conversations to lead many of them to the light of the source of the real Hope.

When Salma and Ahmad arrived with their families to get the wheelchair the parents were sad -because of the same reason- the chairs that their kids have were not comfortable and NOT the Right size for the age and the physical condition of their Kids. After we were able to help with the right and comfortable wheelchair, the Kids became very happy and joyful.
